The attached invoices cover deliveries made against our contract during the latter part of September as described below:

- 1) Invoice 44063 covers the delivery of item 44, the glass and tooling for the fused quartz mirrors and mounts being designed under Item 43. This material is now in storage at Perkin-Elmer and documentation showing the date of delivery, quantity received, etc., is on file at this office for your inspection at any time.
- 2) Invoice 44675 covers the delivery of the first unit of Item 38, the Scanning Periscope. The Periscope has been delivered to EFM at Burbank, California.
- 3) Invoice 44769 covers the delivery of twelve (12) Type A windows and six (6) Type B windows for Configurations A-1 and A-2 against Contract Items 2 and 3 respectively; and one Type C window, two (2) Type D windows, two (2) Type E windows, and two (2) Type F windows for Configuration B against Contract Items 4, 5, 6 and 7 respectively. These windows have been delivered to EFM at Burbank, California.
